Attala County +/-163 Acres- Big Black River hunting at it's best on this secluded property in the southeastern part of the county. Bordered on two sides by farmland.

Plenty of browse and mast bearing trees for the wildlife. Over 3/4 mile of river frontage with sandbars. Miles of interior trails and large food plots with stands. A large rustic primitive camp for camping and equipment storage. A great mix of various aged hardwood species and soon to be +/-45 acres of cutover.
