

Yazoo 621

Yazoo County, MS

If you have been looking for a tract with great hunting and big timber, this is the place for you! This tract really is beautiful with big hardwoods, white oak ridges, and a live creek that runs across it. One of the key features of the property is the big power line that runs right down the middle of the property. It's set up with box stands and food plots making it the perfect setup for deer hunting! So call me today to set up your private showing.

This property can be split into 3 tracts:

Tract 1: 220 acres

Tract 2: 251 acres

Tract 3: 150 acres
