

LAND FOR SALE

Located in the Dentville area of northwest Copiah County, +/- 150 acre tract consisting predominately of mature mix pine and hardwood timber. Blacktop frontage along Jack Rd with power and water utilities available. There is an older camp currently situated on the property. There is a good internal atv trail system with several small food plots ready to go for this hunting season. This tract is located between Utica and Crystal Springs, in a predominately good deer and turkey hunting area. The timber is marketable and can be harvested allowing for immediate return if desired. This is a great opportunity to get a great investment and hunting tract that is competitively priced in a desirable recreational area in southwest MS!
